Orange County Transportation Authority
2020 Project O and P Presentations for 4/8/2020 TSC Meeting

Lambert Road RTSSP (Project P)

- Project Description:
 - The City of La Habra (Lead) is seeking funding for the synchronization of traffic signals along Lambert Road, approximately 7.43 miles in length, and composed of 25 traffic signals between Lambert Road/Martinez Drive in the City of La Habra and Lambert Road/Valencia Avenue in the City of Brea.
- Project Benefits:
 - Decrease in corridor travel times due to much needed updated/optimized signal timing.
 - Reduction in greenhouse gas emissions and reducing carbon footprint.
 - Further increase motorists benefits from the current Lambert Road/SR-57 freeway interchange project.
- Cost Estimate: \$2,340,967
